

Laterals

Skilled, experienced attorneys who are committed to excellence and who thrive on complex cases and legal challenges are always welcome at Diamond McCarthy. If you want to become an active and important part of a truly unique law firm, we would love to hear from you.

Who We're Looking For (And Vice Versa)

We're a little more laid back, irreverent and entrepreneurial than most lawyers, so we may not be what you're looking for. We spend our time serving clients, not fighting over them. We're team players with a roll-up-our-sleeves attitude that we know makes a difference to our clients and our colleagues.

We like being a prestigious boutique firm, but we know it's not for everyone. Then again, since you've read this far, you might feel the same way. Like many of us, you may have tried that "other route" and realized it's time to make a change.

If you think of yourself as a trailblazer, someone who loves excitement and challenge —perhaps even a bit of a rebel who just happens to be a great attorney — we need to talk.
