**Recently concluded representation the post-confirmation litigation trust arising from the Dallas bankruptcy of MCG Capital Corp.** This multi-party litigation involved claims for fraudulent transfers, violations of state securities laws, breach of contract and fraud against financial institutions, accountants and other professionals/advisors resulting in eight figure recoveries that compensated our client for virtually one hundred percent of its damages/losses. The claims against financial institutions involved some of the largest banks in Dallas, Texas. Opposing counsel in this case included many of the largest and well known law firms in Dallas.
