Recently completed (2020) cross-border litigation in the U.S., Trinidad & Tobago, and the British Virgin Islands on behalf of NuStar Energy Corporation, based in San Antonio, Texas. This matter involved bringing liquidation proceedings in both Trinidad, Tobago and BVI against various defendants in connection with the of a \$38 million dollar judgment issued by a Texas court. We also brought international enforcement proceedings in NYC in connection with post-judgment enforcement proceedings under 28 U.S.C. Section 1782. We served as both lead counsel and/or coordinating counsel in all of the litigations in the various jurisdictions.

Client: NuStar Energy Corp
