### About bizwomen Mentoring Monday

The Journal selected 40 of Houston's top business women—representing a range of industries from small business owners and entrepreneurs to executives of non-profit organizations and influential companies in the Houston area—who have demonstrated a commitment to the advancement of women in business. Those selected as Mentors offered career advice, business tips and guidance, leadership and networking skills to attendees from across the Houston community; guidance given that not only inspires future endeavors, but also encourages and empowers present efforts. Among those who mentored were corporate CEOs, CFOs, Presidents, Senior Vice Presidents, as well as Partners and Managers.
