

# The Litigation Trust and Theories of Recovery Regarding D&O / Insurance Policy Claims

October 29, 2018

By: Christopher D. Sullivan

The panel will discuss theories of liability such as breach of fiduciary duty and lender control within the insurance or D&O policy area. The discussion will include an analysis of the “insured v. insured” exception as it relates to a litigation trustee’s ability to pursue director and officer claims against D&O policies.
