

Sofia Adrogué to Chair & Moderate University of Houston Law Center CLE TEXAS LAWYER in Houston

October 16, 2018

Diamond McCarthy Partner, Sofia Adrogué, will chair and moderate “*The Art of Business Litigation: A Conversation (Business & Ethics) and CLE*” on Tuesday, October 23, 2018. Sofia will speak alongside Co-editor Hon. Caroline Baker, 295th Civil District, and five other contributing authors of TEXAS BUSINESS LITIGATION. Sofia serves as the Creator & Editor of TEXAS BUSINESS LITIGATION, a 1500+ page treatise on business litigation. With institutions seeking a “roadmap for reform” in our 21st century civil justice system, issues of cost and length of time for resolution of matters and satisfaction with the overall process are at the forefront of the debate. With the decline of jury trials, excellence in litigating matters is paramount.

“It is undisputed that the jury trial is imploding, facing extinction, with numbers in a precipitous decline,” Adrogué says. “A spirited debate about the causes of the vanishing trial continues as well as the best manner in which to handle complex business torts litigation. ALM’s TEXAS BUSINESS LITIGATION serves as a business litigation template as attorneys move business litigation cases to trial.” ALM’s TEXAS BUSINESS LITIGATION (Third Edition) showcases 22 contributing authors, the “Who’s Who of the Bar,” addressing the following: Alternative Dispute Resolution; Antitrust; Bankruptcy Ramifications in Business Litigation Cases; Breach of Fiduciary Duty Claims in Business Transactions; Business Divorce Cases; Contorts; Corporate Governance & Regulatory Proceedings; Criminal Law in Business Torts Cases; Damages; Discovery; Employment Law Litigation; Ethics; Evaluation of Business; Experts; Fraud & Negligent Misrepresentation; Intellectual Property & Trade Secrets Litigation; Jury Trial Innovations; Oil & Gas; Preservation of Error – Appeal Tactics; Speech Based Torts: Libel, Slander, Business Disparagement & Invasion of Privacy; The Liability Case; and Third-Party Litigation Finance.

While it is clear no one can guarantee adjudication by trial, combining over 50 cumulative years of practice and over 20 years on a state district court bench, the Editors envisioned a work that would serve as an encyclopedia on business litigation—from A to Z—including some of the unexpected issues that may emerge such as a bankruptcy proceeding or a criminal investigation, along with applicable ethical considerations. The CLE will be held at the River Oaks Country Club in Houston, Texas and is produced in cooperation with UHLC, the Firm, *Texas Lawyer*, and the Houston Bar Association.
